children of employees of contractors employed in carrying out work for the United States in overseas area shall be enrolled as space-available, tuition-paying.

"Space-available" means space is not guaranteed. If a school is at capacity or expected to reach capacity, space-available enrollment will be denied.

Space-available enrollment requires more than physical space for a student within a classroom -- it also considers the availability of resources required to support a student's educational program.

Space-available enrollment is approved on an annual basis and is not promised from one year to the next. Space availability is determined by child, not by family.

WHAT IS THE REGISTRATION PROCESS FOR SPACE-AVAILABLE ENROLLMENT?

1) The official website for DoDEA's student registration and school communication is the DoDEA Student Information System (DSIS) at <https://dodeasis.myfollett.com/asp/en/login.do>

2) Once you have completed the registration process, the school registrar will be notified. The school will coordinate with the District Superintendent's Office to determine if space is available for your child.

3) You will be notified of the status of your
